

Popular Complete Smart Series

Complete MathSmart (Grades 9 – 12) is a comprehensive, curriculum-based workbook series which helps students develop a thorough understanding of mathematical concepts and master the essential skills. Concise explanations with examples are provided at the beginning of each chapter, followed by abundant exercises so that students will build a solid math foundation in preparation for their higher education.

Available in
September 2017

Grades 10 – 12 available in December 2017

Features:

- Canadian curriculum-based content
- higher-order thinking questions to help high school students develop a well-reasoned approach to learning different mathematical concepts
- a “Handy Reference” of mathematical formulas and definitions
- concept and skill application that helps make connections between mathematics and other science and technology related disciplines
- an answer key with step-by-step solutions
