

# An Adventurous Day at the Beach

Part 1

Leo, Jack, and Ann were at the beach on a sunny day.

They bought ice cream, but a seagull snatched Ann's away.

Ahh...

Then, while Leo was trying to catch a crab, it nipped his finger.

Ann and Jack were scared in the  
dark cave. But Leo was different.

This will be fun.

Guys, look!

And deep in the cave,  
they found something.  
What did they find?
