

Sally's Day at the Theme Park

Part 2

Suddenly, a princess appeared outside the princess's castle.

Hello, Sally! Today you went on just one ride. Do you want to try more?

The mermaid took Sally on the waterslide!

Captain Fearless took Sally up and down the Big Dipper.

She rode a white horse on the carousel.

She spun round and round with the fairies.

Wake up, Sally! It's time to go home.

Sally woke up. She wondered if it was all just a dream.

Just as Sally was leaving, she saw the princess waving at her.

Thank you for the rides, Princess.
