

Wow! This is beautiful!

Hannah found hats with flowers and feathers. There were also sparkling dresses, beautiful shoes, and lots of beads.

Fashion is not new. I had fashionable clothes too.

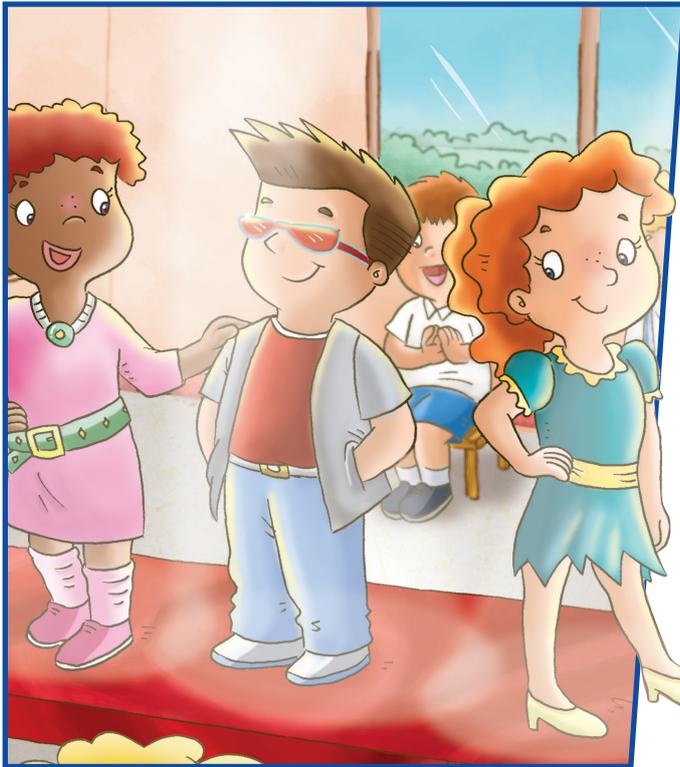

Hannah's great-aunt Lily helped her choose some clothes for the show.

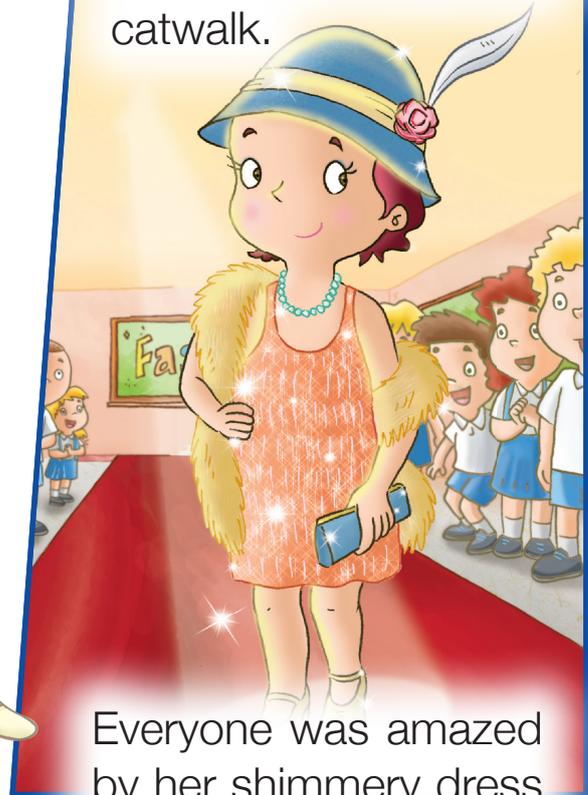

The day of the show finally arrived.

The boys wore new running shoes.  
The girls wore pretty clothes.

Hannah was the last  
one to walk down the  
catwalk.

Everyone was amazed  
by her shimmery dress  
and pretty hat.

Everyone clapped and cheered for  
Hannah. Hannah felt very happy.  
She thought, "New things are not  
always the best!"
