

Dinosaur Valley

Mini Golf

For a fun-filled day with your family and friends, head over to Dinosaur Valley Mini Golf in Sudbury, Ontario.

Enjoy the warm summer weather while playing mini golf on the six outdoor courses. You might even have a little friendly competition to see who can get a hole-in-one first. For an exciting experience, there are also labyrinths that you can go through.

Dinosaur Valley Mini Golf is special and attracts many tourists because it holds 20 dinosaur skeletons. Take a moment to look at these impressive models, and don't miss your chance to pose next to a T-rex for a picture!

If you live too far from Sudbury but think mini golfing sounds fun, there are many places in different cities where you can play. Just find the one closest to you!
