

At a Petting Farm

Cut and paste the signs into the correct boxes.

Only eat or drink in areas that are designated for picnics.

Only feed the animals with food supplied by the farm.

Steps of Handling Rabbits:

1st Sit on the ground and put it on your lap.

2nd Give it a gentle head rub.

Don't chase after animals.

Don't climb over the fence.

Wash your hands after touching the animals.
